VOLUNTEERING

We love volunteers, and the more the merrier, as they say, many hands make light work, and all our kids benefit, from the funds we raise along the way.

To ensure you can volunteer, make sure you complete a volunteer form, available from the office before you volunteer. It only takes a minute!

This is an education department requirement, this only needs to be completed once a year, or only once if you have a WWC check!

EASTER RAFFLE

Once again we are having an Easter Raffle (what already) yep Easter is not that far away! Tickets go on sale, 17th March, via the P&C website and the raffle will be drawn on the 27th of March. Make sure you're in it, to win it! Proudly sponsored by local business, Adventures Snacks!

PAINT 'N SIP - MUM FUN

We want to give parents more of an opportunity to meet and greet, as sometimes drop and pick up times are hectic and rushed. Our first event of the year is a Mums only Paint 'n Sip, Details are almost finalised so stay tuned and mark the date in your diary.

- What:** Mums Paint 'n Sip

CANTEEN UPDATE

You may have noticed it's a bit quiet in the undercover areas on Tuesdays and Fridays now, the P&C had to make an executive decision to close the onsite canteen due to profitability and healthy food guidelines. But don't despair, we have a bigger and better solution for our students. From term 2, students will be able to order online through the Woodvale Secondary College canteen who have a menu with more variety and healthier choices. Through our volunteer network, orders will be delivered following safe food transport practices on Tuesdays and Fridays to your child's classroom. We are seeking volunteers for Tuesdays who can pick up the food from Woodvale Secondary College at 12.50 and deliver to Halidon for the start of lunchtime. If this is you, please again let Hayley know so we can co ordinate! This will be a trial in term 2, for this to be successful volunteers are required, and need to be reliable. Watch this space for more updates.

Also, we are planning on doing a Subway Meal Deal in Term 1 incase your kids are already sick of their home made lunches! Again stay tuned for further details.

SURVEY RESULTS

Late last year we posted a link to a survey for your say, on how we're doing? What we did well? What you want to see more of? What could we do better? From the responses here are some of the results!

Your top events of 2023 were:

- Colour Run
- Adults Only Bingo
- Disco

Colour Run

- **57%** want the colour run annually, **37%** want it bi annually.

People would like it changed up a little with obstacles? and different prizes!

Mothers/Father's Day Stall

- 72% voted yes to continuing the mother's and father's day stalls.

What should we spend our money on?

- Sports equipment
- Whatever the school needs
- Games for classrooms for when weather is hot/raining
- Dedicated Halidon Gazebo for interschool events
- Cover for bike racks

What events do you want to see?

- Mum's only event
- Fete

The common theme is you like what we do, but would like it changed up a little, in order to do this, we would require more **volunteers** than what we are currently getting for most events, so when upcoming events are advertised please let us know if you want to help out, that way we may have the capacity to improve the event!
