CANTEEN, ALL SYSTEMS GO!

You may have read our facebook post regarding the re commencement of canteen ordrer. Our superstar president has been working overtime to have this up and running for term 1, (launch date was term 2) so we can offer this service to our school.

Currently we are trialing this service on Fridays only. The man power to make this happen is more substantial than we first thought so please be patient with us in the first few weeks if there are teething problems. The success of the trial will dictate if there is capacity to add another ordering day to the week. The addition of another canteen day will be dependant on reliable people coming forward to volunteer their time to transport food from Woodvale Secondary College to Halidon on canteen days, if this sounds like you please get in touch!

Ok, so how does this all work?

- Head to <https://flexischools.com.au/parents> to register an account and add your child.
- select **HALIDON PS** as the school.
- Once registered, head to <https://flexischools.com.au> (or download the app for an easier process!).
- Sign in & click on "order food".
- Select your child
- click "Halidon lunch"
- Click the date you would like to order
- Select the items you'd like to order (scroll down for the set menu items).
- Add item
- View order
- Checkout and Pay

We encourage you to navigate the app and gain familiarity as you can pre order weeks in advance, add money onto the account, instead of pay as you go etc.

Important, this is a lunch service only!
